*NOTE: Paid in full discount is 5%; 1 Sibling discount is 10%; 2+ Sibling discount is 15% (off base tuition). For multiple children, first student is at full cost.*

#### NOTES

- Students can only opt out of the lunch program with a valid medical note from their doctor. This must be renewed each school year.
- Discounts are applied to the base tuition proportion only. We are unable to apply discounts to lunch because those costs are paid directly to the provider of the lunch program.
- The enrollment fee is \$600 per student and does not offset the tuition for the year.
- The endowment fee is a one-time fee paid by all new families and is paid per family, not per child.
- All families are required to set up a FACTS account to pay for tuition for the year.
